

PIZZA

ROAST DUCK

As my familia and I were cruising past kopitiam after kopitiam, I had a MOMENT. I felt a sudden burst of adrenaline sweeping through my entire being. That's when I knew that I had to do a pizza specially for the locals. Thus, the roast duck pizza was born.

Made in Singapore for Singapore.

This means my name is Joey and I come from New York.

One bite of this baby and you'll be surfin' the waves in Maui.

As for me, I prefer to chill in the sun, sipping my piña colada and watching the coconuts and straw skirts shimmy-on-by.
